**Welcome to Smart Marina Final Conference 20.01.2021**

Lennart Joelsson

Project Leader & Strategic Expert

# Smart Marina GOAL

## GOALS

- Raise the service level in existing small ports
- Improve local and regional mobility and thereby contribute into increased tourism
- Increase cooperation and exchange experience

## HOW

- By investing into major bottlenecks and future sustainability (according to harbors needs)
- Clear environmental profile in the harbor
- Blue Flag certification as an environmental trademark

Total budget: 8,2 MEUR.

Funding: ERDF by Central Baltic Interreg programme  
Co-financing by respective partner

# Lead Partner – Ålands Utvecklings Ab
